

Memorial Service Preferences

If you have preplanned your memorial service and burial arrangements, list the appropriate contact information:

In Lieu of Flowers

Many people request that friends and family make charitable gifts in their memory rather than send flowers. If this is your desire, make sure your family is aware. Leave this written information with your estate plan:

*At my death, please make sure my friends and family know that I prefer a charitable gift to be made in my memory. In lieu of flowers, please make a gift to Begin Anew. **

*We never share the dollar amount of any gift, but we will let your family know about each memorial gift.
